

Howgills Barn

Unique Barn venue, in the Dales and South Lakes. Accommodation on site, situated in 5 acres & the beauty of the Howgill Fells

Our Story

We renovated Howgills Barn in 2006 and it was with great pride that the first ever Civil Ceremony was of our own daughter in 2017. We're still a small family run business and now love seeing other Brides and Grooms, Partners, Families enjoying our very special venue. We know how important your day is and our small team look forward to making it absolutely perfect.

Nigel and Liz Close

Our Barn

Howgills Barn is a unique place to get married. With the backdrop of the Howgill Fells it is a stunning location for an intimate wedding for up to 50 guests. The barn itself provides accommodation for up to 28 guests (mainly bunk style) in 8 ensuite bedrooms. We also have 2 other properties, nearby for additional accommodation.

Our Weddings

Howgills Barn is suitable for weddings for up to 50 guests. You hire the Barn for 3 days; this gives you plenty of time to prepare the 'blank canvas' into exactly what you want. Weddings at our Barn are a 'true family celebration' as often after the big day family and friends stay on to 'holiday' and enjoy the opportunity of being together. Unfortunately, we cannot offer weddings in July and August.

Wedding areas

There are three areas where your Civil Ceremony can take place:

- inside the main Barn hall,
- outside under the glazed gazebo with marquees,
- in our tractor shed which is a 'rustic' auditorium.

Food & drink

We're happy for you to work with a caterer of your choice and there are 2 commercial kitchens in the Barn. We know every penny counts and we don't charge corkage on any drinks.

Howgills Barn

The hire of marquees provides extra space & flexibility. We are registered for Civil Ceremonies with Carlisle Registry Office.

Our Marquees

We have 2 marquees that you can hire (pictured left), which look on to the glazed gazebo, where outside weddings take place. The gazebos can accommodate dining and chairs for 50 guests. There is the option of silk liners, carpeting, wrought iron chandeliers and heaters. Hire and erection of the 2 marquees is £1200 & you can choose optional extras.

2023 Wedding costs

The private hire of Howgills Barn and grounds, hot tub for 3 days (including the accommodation at the Barn for up to 28 guests) is £4629. This also includes a wedding planner who will work with you and be in attendance on the day.

A helping hand

We appreciate that you might not want to pay for the accommodation for your guests! As an option, you might want to consider offering your family and friends a bedroom for a nightly rate. From experience, we have found that this is more effectively managed by yourselves, and we will provide you with a Barn room planner and any other information that you need.
